
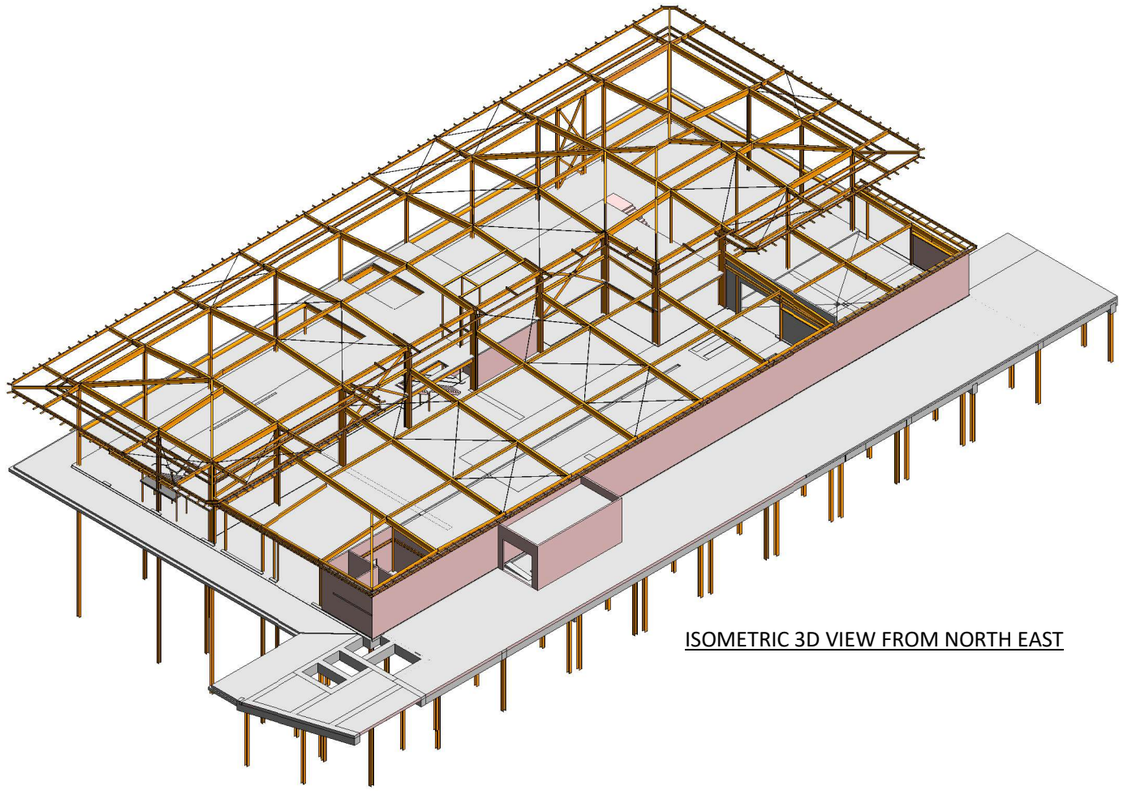
ISOMETRIC 3D VIEW FROM NORTH WEST



ISOMETRIC 3D VIEW FROM NORTH EAST

NOTES

1. These drawings are to be read in conjunction with all relevant Architect's and Engineer's drawings and Specifications.
2. The structural plans shall be treated as general arrangements; refer to Architect's drawings for levels and setout.
3. Refer to Engineer for any dimensions not given or obtainable from the structural details. Do not scale from drawings.
